## WE ARE FAMILY

THE DELICIOUS STORY SO FAR...

Noodle Nation is a family owned and operated business. Inspired by the bustling street cafes of Hong Kong, we wanted to open a place where our customers could eat great value, freshly cooked oriental food in a relaxed atmosphere.

On a whim, we gave up our jobs and with help from our friends and family, we opened our first Noodle Nation in 2000. Although we have opened more restaurants, we don't consider ourselves a chain. We're hands on and passionate about our business and everything to do with it - our customers, our food and our team.

We love what we do and want everyone to join our Noodle Nation!

customers with severe allergies & vegetarians are aware and make their own choice as to whether to dine with us, as we cannot guarantee an absence of allergens. **If you do suffer from severe allergies or intolerances to any of the allergens listed above, we would advise that you do not dine with us (although we would love to serve you!).** All diners eat at their own discretion, as we cannot accept responsibility should there be any traces of allergens in our food.
