SERVICE, ORDERING & PAYMENT

OUR STYLE

We'll take your order at your table. Our chefs freshly cook every dish to order. Staying true to our informal, canteen style we will deliver your dishes as soon as they are ready. Your parties dish may be delivered at slightly different times but we feel the freshness is worth it. **Please note, we don't do starters - all dishes arrive when they are freshly cooked.**

COOKING TIMES

We don't sell fast food ...we serve freshly cooked food as fast as possible. We aim to get your food to you as soon as we can but won't compromise quality for speed. Please be aware that quantity ordered, dish selection and level of business may affect the speed at which your food arrives at your table.

WE OPERATE A TABLE SHARING POLICY

It is not unusual to be seated next to a stranger. Enjoy the experience and share the noodle love.

PAY YOUR SERVER AT THE TABLE

WE OPERATE A SINGLE BILL POLICY

(i.e. we don't do separate bills) For operational needs, all items will be presented on a single bill.

SERVICE IS NOT INCLUDED

But we would suggest a tip of 10% if you feel it is warranted. **100% of all tips go to our team.**

ALLERGIES & INGREDIENTS

Always inform our team if you have an allergy or intolerance and we'll tell you the ingredients used. Although we'll try our utmost to list all ingredients in our dishes, we cannot guarantee there are no traces of allergens. We cook fresh & use nuts, dairy, egg, seafood (fish, molluscs & crustaceans) sesame seeds, soya & celery in our kitchens. As traditional wok stir frying is vigorous, there is a real risk of ingredients being transferred between woks during the process. We feel it is important that customers with severe allergies & vegetarians are aware and make their own choice as to whether to dine with us, as we cannot guarantee an absence of allergens. If you do suffer from severe allergies or intolerances to any of the allergens listed above, we would advise that you do not dine with us (although we would love to serve you!). All diners eat at their own discretion, as we cannot accept responsibility should there be any traces of allergens in our food.

Soy sauce contains traces of gluten. Please note that that our rice noodles are wheat free and we can prepare some dishes in a **wheat free style. Wheat Free Soy for your table is available on request.**

We cook fresh real food - please note that some of our meat & poultry dishes may contain bone. Also, our roast duck is authentically prepared - **Duck is a naturally fatty meat & this will vary depending on the time of year.**

If you'd like to spice things up we can add chilli flakes for free - we find they give a consistent heat level. **You can also order authentic chilli oil from our menu.**

Noodle Nation

USE YOUR NOODLE...

Our portions are generous and good value for money. We suggest a main and a side per person for a complete meal. However, feel free to Noodle Nation your way - order some mains and sides and share between your family and friends - we're always happy to provide some extra plates.

WE ARE FAMILY

Noodle Nation is a family owned and operated business. Inspired by the bustling street cafes of Hong Kong, we wanted to open a place where our customers could eat great value, freshly cooked oriental food in a relaxed atmosphere.

On a whim, we gave up our jobs and with help from family & friends, we opened our first Noodle Nation in 2000. Although we have opened more restaurants, we don't consider ourselves a chain. We're hands on and passionate about our business and everything to do with it - our customers, our food and our team.

We love what we do and want everyone to join our Noodle Nation!
